

INNOVATIVE SHADE DESIGN SOLUTIONS

LEADER, INNOVATOR & BRAND TO TRUST

MISSION

To protect communities by creating distinctive spaces that elevate the outdoor experience.

VISION

To be the essential partner for innovative shade solutions.

VALUES

Dedication, Integrity, Quality, Fun

Mueller Park Amphitheater
Austin, TX

Hughes Landing
The Woodlands, TX

We're here to meet all your commercial shade industry needs, providing high-quality shade structures and exceptional customer service for over three decades. Some of the shade structures include a variety of applications, from outdoor dining areas to playgrounds and sports fields. With a strong focus on quality, innovation, and customer satisfaction, USA SHADE has earned the trust and loyalty of its customers, making it a go-to brand for commercial properties across the country.

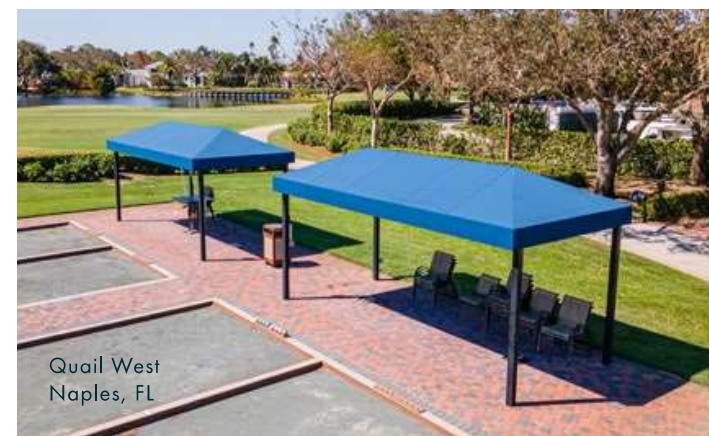

OUR CONFIGURATOR

Unleash your creativity and take complete control of the design of your shade structures with a user-friendly interface and a vast selection of customization options. By simplifying the design process and enabling customers to personalize their shade structures, the configurator helps to create truly unique and functional outdoor spaces.

Scan or click to customize your favorite standard structure.

We offer various fabrics to fit your shade structure needs including Waterproof. These sustainable membranes include Novashield®, PVC and PTFE which have the capability to withstand heavier loads.

Waterproof shelters are essential for outdoor activities, providing a reliable and protective space that can withstand harsh weather conditions.

Solar power is a clean, reliable, and cost-effective energy source, transforming our energy systems and paving the way towards a more sustainable future.

We've partnered with Spotlight Solar to bring you the first, or many, solar shade solutions.

Designed and manufactured by Spotlight Solar. Beautiful solar structures.

There is a wide range of needs for outdoor shade. Some popular shade structures include the Hip, the Cantilever and the Pyramid. Custom-designed shade structures are also highly sought after, allowing customers to create unique and personalized solutions.

RAIN OR SHINE, WE'VE GOT YOU COVERED
